Dear Sir:

Arrangements are being made to bring out during next month a Special Edition of "The Veteran", the Dominion Official Organ of the G.W.V.A.

It is hoped that the principal features of the edition will be as outlined in the accompanying table of contents.

It has been our hope to obtain from you for this edition an article on "Educational Opportunities in Canada".

Your assistance in this matter will, needless to say, be much appreciated.

Will you kindly, in addition to sending me a reply to this request, also send a copy of such reply to the Editor of the Veteran, Ottawa, advising us of your assistance, or otherwise?

I am,

Yours faithfully,
